## SERVICE BURIAL WAIVER

Carr Telephone Company requires a free and clear route for the burial of our telephone service line. Service lines are buried from the nearest green telephone pedestal service point box down the center of the driveway to the electric meter on your home.

Any underground items on property owned, rented, or leased by you will need to be clearly marked by you. This includes, but is not limited to, wells, septic, underground electric lines, conduit, water lines, underground sprinklers, dog fences, etc.

If the items are not clearly marked and result in the damage of those items by our Company personnel, Carr will not be held liable. Company employees who must dig to locate the customers unknown location of their facilities will be charged a rate of \$100.00 per hour, per person.

Carr Telephone will not be held liable or responsible for damages to any underground facilities due to customer error in locating these facilities. The Company will not be responsible for any damage to underground facilities when following your designated route for burial of service line. Installers will not bury service lines if the route chosen may cause damage to Company equipment or hamper the use of equipment necessary to bury service line. This includes the Demarcation point installed by Company personnel.

I have read the above statements and agree that my responsibility as the customer in burial of the service line and will not hold Carr Telephone and or its employees liable if items are damaged.
